

CHRIST COMMUNITY SCHOOL
ESTABLISHED 1996

October 5, 2018

Dear CCS Families,

I'm excited to share our vision for the 2018 Annual Fund campaign with you. With this year's theme, "***Strong Roots Make Beautiful Leaves***," we're emphasizing the importance of leaving a legacy in the hearts of each child who enters our doors, the families who support them and the community where we live.

The Christ Community School Annual Fund allows the school to bridge the gap between the expenses our tuition covers and the true cost to operate. By contributing to this fund, you help our school establish strong financial stability, give your children's teachers the security of knowing we can fund expenditures for their classrooms and empower us to explore growth to make our school stronger and more impactful for years to come.

2018 Annual Fund Goal
"Strong Roots Make Beautiful Leaves"

\$125,000
100% participation

We anticipate that we will reach **100% participation** from our Board of Directors, Faculty & Staff and our families in order to reach our **\$125,000 goal**. As a vital part of the community, we appreciate the continued support from local businesses and community members. Please prayerfully consider what you can contribute, whether it's \$1, asking a business to make a tax-deductible donation or a more substantial gift. I truly believe that our Heavenly Father will return your blessings in His infinite wisdom.

Please contact our Director of Advancement, Meredith Carruba, with any questions or support in planning your gift: Phone: (936) 321-6300 x.106 / Email: mcarruba@christcommunityschool.org.

Blessings,

Sonya Meldahl
Head of School
